

Global Lecture Series

OJERI@KU
OJeong
Resilience
Institute

APRU
Sustainable Waste
Management

K-BioX

Speaker : Prof. Mellissa Withers, University of Southern California, USA

Date & Time : August 2021

University of Southern California, USA

Email address: mwithers@usc.edu

Website: <https://keck.usc.edu/faculty-search/mellissa-withers/>

Mellissa Withers, PhD, MHS is Associate Professor at the Keck School of Medicine in the Department of Preventive Medicine. She is based at the USC Institute on Inequalities in Global Health. She also is also Director of the Global Health Program of the Association of Pacific Rim Universities, a non-profit network of 55 universities in the region. She received a PhD from the Department of Community Health Sciences at the UCLA Fielding School of Public Health with a minor in cultural anthropology. She also earned a Master's in Health Sciences from the Department of International Health from the Johns Hopkins Bloomberg School of Public Health and a BA in international development from UC Berkeley. Dr Withers is the editor of two books: *Global Perspectives on Sexual and Reproductive Health Across the Lifecourse*, and *Global Health Leadership: Case Studies from the Asia-Pacific*. She has published more than 40 scientific articles and serves on the editorial boards of six international global health journals. She also writes a blog on human trafficking titled Modern-Day Slavery for Psychology Today.

Mulki, Ashwini Kamath; WITHERS, Mellissa.,2021, Human Papilloma Virus self-sampling performance in low- and middle-income countries. *BMC Women's Health*, 21.1:1-11.
